-

IMPORTANT NOTES

About the Research:

-  All data verified as of December 18, 2025
-  Websites and Twitter accounts checked
-  Recent activity verified
-  Orex website was down during research (verify before prioritizing)

About the DMs:

-  Professional tone

- [R]esearched and personalized
- [C]lear value propositions
- [A] Replace [Your Name] before sending
- [A] Add current DecaFlow metrics before sending

About Follow-Ups:

- [W]ait 72 hours before first follow-up
 - [M]aximum 2 DMs without response
 - [T]ry backup methods after 10 days
 - [D]on't spam or be pushy
-

PARTNERSHIP PRINCIPLES

These DMs are built on:

1. **Research-First:** Every DM shows you understand their project
 2. **Mutual Benefit:** Always frame as win-win
 3. **Specificity:** Concrete ideas, not vague "let's partner"
 4. **Professionalism:** Respectful but appropriately casual for Web3
 5. **Clear CTA:** Always include next step
-

[I]F YOU GET STUCK

No responses after 1 week?

- Check `quick_contact_reference.md` for backup contact methods
- Review DMs for possible improvements
- Try engaging more on Twitter before DM

Got a response but unsure how to proceed?

- See "Response Scenarios" in `PARTNERSHIP_OUTREACH_SUMMARY.md`
- Use quick response templates in `QUICK_START_GUIDE.md`
- Always offer to schedule a call (don't negotiate over DM)

They're asking for things you don't have?

- Be transparent about stage
 - Offer pilot/trial partnership
 - Focus on mutual learning opportunity
-

TRACK YOUR PROGRESS

Key Metrics to Monitor:

Metric	Target	How to Track
DMs Sent	5	Manual count
Response Rate	40%+ (2/5)	Responses / DMs sent
Calls Scheduled	1-2	Calendar
Partnerships Closed	1 by Week 8	Signed agreement

AFTER FIRST ROUND

If successful (2+ responses):

- Focus on deepening those partnerships
- Ask for referrals to other projects
- Document learnings for next round

If mixed results (1 response):

- Analyze what worked
- Refine messaging
- Expand to 5-10 more targets

If low results (0 responses):

- Review DM messaging with team
 - Try backup contact methods
 - Consider if timing is right (holidays, etc.)
 - Expand outreach significantly
-
