

📁 START HERE - DecaFlow Partnership Package

Status: 🟢 Complete and Ready to Use

Last Updated: December 18, 2025

Location: Repository `affidexlab/new` (branch: `copy/cap-1-7f96ad1c`)

📦 What You Have

A **complete partnership outreach package** with research, strategy, and ready-to-send DMs for 5 strategic partners.

All documents available in both Markdown (.md) and PDF (.pdf) formats

⚠️ IMPORTANT UPDATE - Orexn Corrected!

The correct Orexn website is: <https://www.orexn.net/> (not orexnx.net)

Orexn is actually: A major Web3 launchpad platform with **250,000+ users** (not a meme coin!)

- \$1.6M total raised
- 4.8B OXN farm pool
- Multi-chain support (ETH, BNB, **Base**, Solana, TON)
- Quest system similar to SquadX
- IDO/token launch platform

This significantly improves the partnership opportunity!

👉 **Read @OREXN_UPDATE.md (or PDF) for full details**

Your Documents

-

☐ Best Partnership Opportunities

SquadX (1.1M users)

- Quest campaigns for user acquisition
- Access to 500+ KOL network
- Potential: 10K-50K new users

Orenx (250K users) ↑ NEW INSIGHTS

- Feature DecaFlow in their launchpad
- Quest integration (similar to SquadX)
- Both on Base ecosystem

- Swap functionality for IDO participants

Cache Wallet (High Momentum)

- Wallet integration (embed swap widget)
- Post-recovery swap functionality
- Presale just hit 60% in 72 hours

REI Network (318K wallets)

- Chain integration opportunity
- Free gas + your privacy = unique combo
- Multi-chain liquidity

iFlux Global (Singapore)

- Cross-chain installment purchases
 - Southeast Asian market access
 - Product integration
-

Copy-Paste DMs Ready

All DMs are in **QUICKSTARTGUIDE.md** (pages 5-8) with: -  Researched talking points -  Specific metrics mentioned -  Clear value propositions -  Professional but friendly tone

Just add your name and current DecaFlow metrics!

Expected Results

Week 1:

- 2-3 responses (40% response rate)
- Partnership discussions initiated

Week 2:

- 1-2 calls scheduled
- Follow-ups sent

Week 4-8:

- 1-2 partnerships closed
 - Early results visible

□ Success Metrics

Track these: - DMs sent: Target 5 - Response rate: Target 40%+ (2/5) - Calls scheduled: Target 1-2 - Partnerships closed: Target 1 by Week 8

□ Pro Tips

1. **SquadX & Orexn** are your best bets (largest scale)
 2. **Send DMs Tuesday-Thursday** (best response rates)
 3. **Respond within 24 hours** when they reply
 4. **Offer calls, not DM negotiations**
 5. **Prepare metrics before calls** (volume, users, swaps)
